

I am writing to support bill SB1089 (sections 23-29) -regarding licensure for behavior analysts- that the Connecticut Public Health Committee has raised which includes language to license BCBA's and BCaBA's.

This legislation is important for the protection of Consumers across the state of Connecticut.

I am a board certified Behavior Analyst and I support this bill.

Laura Bunda, MS Ed, BCBA 1-12-10146
